Notes:

- All tests are in class typically on blue books. The typical duration of the exam will be about half of the lecture [40mn] unless otherwise stated. They will take place at the end of the lectures indicated in the above schedule. Additional information available on the syllabus and on Canvas.
- There is a HW due every other week on Thursday. Homework assignments will be posted (at least) one week before they are due.
- There is a Test on the last day of class (Dec. 10)
- There is no final exam
- Please read: additional information on syllabus and [Policy and general info on homeworks and exams](#)
