Missed exams Make-up final exams will be given to students who have a valid reason for missing the regular Final Exam. Such students must notify the instructor prior to the exam, and the reason must be documented. There will be no make-up midterm exams. A proportional part of the score for the Final Exam will be used instead for students who have a valid documented reason for missing a Midterm exam.

Incompletes The grade "I" can be assigned only to students who have taken and passed one Midterm Exam and who have a valid excuse for being unable to take the Final Exam.

Homework Homework assignments are due at the beginning of class on the days indicated.
